

Dear Ms. Colleen Black,

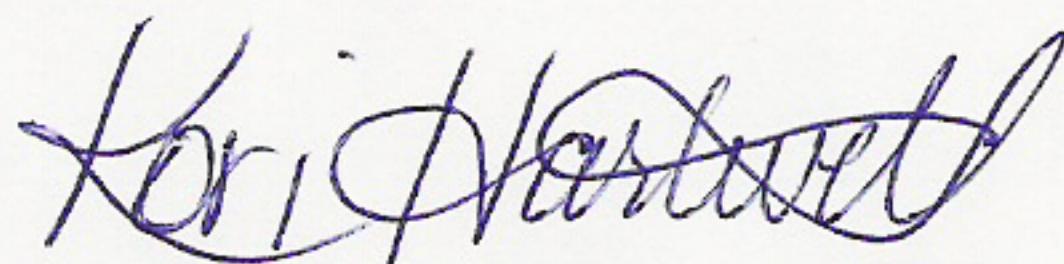

My name is Kori Hartwell and I have been selected as one of the recipients of the Montana Society of Public Accounts Scholarship. I would like to take the time to thank you for sponsoring this award and supporting local education. I presently live in Billings, but grew up in Cut Bank, MT on our family farm/ranch. I am currently a junior at MSU Billings, and will graduate with my accounting degree in the Fall 2005. I enjoy attending MSU-B. I think the college has many wonderful things to offer including a great educational staff, current learning activities, and the opportunity to expand in your major beyond just the classroom.

I am a member of the Billings Barrel Race Series and the North West Barrel Racers Association. I enjoy riding my horse and entering into our local competitions.

I chose the Accounting career because of the endless opportunities that the field has to offer. I not only enjoy working with numbers, but like the interaction with people that the accounting field offers. My goal is to have my own public accounting firm, and work with people to help them achieve their business or personal goals.

I currently work part-time and receive financial aid. This scholarship award will help me achieve my goal of becoming a CPA. I work hard in college and it so rewarding to have been selected as one of the recipients of such a generous award. Your support to the Montana Society of Public Accountants Scholarship is greatly appreciated.

Sincerely,

Kori Hartwell
